A propos de CELC

La Confédération Européenne du Lin et du Chanvre (CELC) est l'unique organisation européenne agro-industrielle regroupant et fédérant tous les stades de production et de transformation du lin & du chanvre. Elle est l'interlocutrice privilégiée de 10 000 entreprises dans 14 pays européens, maîtrisant ainsi la fibre de la plante au produit fini. Fondée en 1951, la CELC est un lieu de réflexion, d'analyse conjoncturelle, de concertation de la filière et d'orientation stratégique

Avec sa plateforme de promotion «CELC DEVELOPPEMENT», la Confédération crée l'environnement favorable à la compétitivité des entreprises industrielles. Une action qui s'inscrit à l'international en stimulant l'innovation et en s'appuyant sur les valeurs de fibres naturelles aux qualités environnementales confirmées.

About CELC

The European Confederation of Linen and Hemp (CELC) is the only European agro-industrial organization federating all the stages of production and transformation for linen & hemp. It is the privileged spokesperson for 10 000 European companies in 14 countries and oversees the fibre's development from plant to finished product. Created in 1951, the CELC incites reflection, market analyses, industry concertation and strategic orientations.

With its « CELC DEVELOPPEMENT » promotional platform, the Confederation creates an ideal competitive environment for industry companies. Its actions, inscribed in an international context, stimulate innovation and rely on the value of these natural fibers with their proven environmental qualities.
